

## **Instructional Design, Adobe After Effects and 3D/Autodesk Maya Projects 1/2012 – 4/2015**

This is a list of the consulting/freelance work I have done since January, 2012

**3/2015-3/2015**

### **[Training Modules for Massachusetts Department of Education](#) Boston, MA (remote)**

These were modules were developed to help secondary educators understand statewide evaluation reports. *These were created in Articulate Storyline 2.*

**1/2015-1/2015**

### **Training Modules for Cisco System's Cisco ONE Software , San Francisco, CA (remote)**

#### **[Example 1](#) [Example 2](#)**

30 modules developed to train Cisco salesforce on the rollout of the new Cisco ONE software. *These were created in Adobe After Effects & Photoshop from a PDF created from a PowerPoint presentation.*

**6/2014-6/2014**

### **[Motion Infographics for The SAVO Group](#) Chicago, IL (remote)**

This was an infographics test created for Savo. *This was created in Adobe After Effects.*

**4/2014-7/2014**

### **[After Effects/Autodesk Maya Animation](#) Saratoga Springs, NY (remote)**

This was an animation created for a client to be used on Kickstarter, raising funds for a new invention, a plant-based air cleaner, Phytofilter Technologies.

**6/2012-7/2012**

### **[Training Modules for the Chicago Public School system](#) Chicago, IL (remote)**

Developing 30+ interactive modules using Adobe Captivate, Adobe After Effects and Adobe Audition. These were used to train teachers in State of Illinois standardized testing for the Chicago Public School (CPS) system using Scantron. RPM Visual Media (Chicago, IL)

**9/2012-3/2013**

**Designs for the Caterpillar Corporation Peoria, IL [Cain & Company Advertising](#) Rockford, IL**

#### **[Caterpillar Undercarriage - Trade Show Booth Design](#)**

#### **[Engine Control System - Technical illustration](#)**

I worked on several different projects, all for the Caterpillar Corporation. Among the highlights are technical diagrams, 3D renderings of products and concepts, and a trade show booth design.

**12/2006**

**Exhibitor's Office Liaison, [Art Basel Miami Beach Art Show, Florida](#)**

- Liaison between Swiss management and 200+ galleries. Supervised art sales that physically left the convention center. This was a 10 day position
